

Job Title: 2026 Summer Internship

Rodriguez Construction Group is looking for interns to join our construction team. This position will give you the chance to work on some of our firm's top construction projects. Our internship will provide students with supervised practice at the work site or in the office. Interns will help assist the Project Management team or Superintendents in the field by offering assistance, coordination and information required to construct the project on time. Interns will report to Project Manager or Project Superintendent. As an Intern with Rodriguez Construction Group, the purpose of the internship is to provide the student with supervised practice at the work site or in the office in the continuing daily operations of construction. This is a non-exempt position offering 20-40 hour work weeks. We are flexible with student schedules during the semester. This is a fantastic opportunity if you are looking to gain more responsibility and advance your construction career.
